

QUALITY, ENVIRONMENT AND FOOD SECURITY POLICY

The General Management of TOMALIA, a company dedicated to *"Design, production, aseptic packaging and marketing of tomato pastes, diced tomatoes, pizza sauces tomato and other derived products"*, recognizes that achieving the adequate quality of these products is one of its primary objectives, Therefore, it assumes the ultimate responsibility of defining, implementing and maintaining a quality policy that makes this objective possible.

The Policy of **TOMALIA** is based on the following points:

- Management's commitment to produce safe, legal products in accordance with the specified quality, assimilating any responsibility to customers in case of non-compliance.
- Continuous search for optimization and continuous improvement of processes, through our sustainable integration efforts embodied in action objectives, which allow us to increase the quality of the services and products offered and customer satisfaction, exceeding their expectations.
- Promote the development and continuous improvement of a culture of quality and food safety, which includes a clear distribution of responsibilities, assurance of personnel competencies and adequate supervision.
- Commitment to comply with legal, regulatory and other requirements applicable to the organization.
- Develop our activities bearing in mind a commitment to protect the environment, reducing the impact on the environment, helping to prevent pollution and promoting actions aimed at continuous improvement of the Integrated Management System and other specific commitments relevant to the context of **TOMALIA**.
- Ethical responsibility with consumers, as a benefit of a healthy consumption of our products.
- Create instruments that put into practice the Sustainable Development.
- Labor responsibility, in order to raise the levels of safety, health and well-being of workers.

The management system implemented in **TOMALIA** satisfies the applicable requirements of the UNE-EN-ISO 9001, UNE-EN-ISO 14001, BRC Food Standard and IFS Food standards and establishes the necessary measures to ensure that its Policy is available to all stakeholders, is communicated to all persons working for or on behalf of the company, is understood, applied, reviewed, and kept up to date.

Santa Amalia, 15 July 2021

Carlos Sanchez Gallardo
(Director Manager TOMALIA S.C.U.G.)
